Tanzania Safari Packages 2026/2027

Blackbuffsafaris Ltd. operates in the Selous Game Reserve in joint venture with Safaris Ltd. in the hunting blocks LR1 & MS1. Combined these blocks consist of approx. 300,000 hectares / 750,000 acres of pristine African wilderness specifically set aside for world-class hunting. In the true tradition of wild Africa, we specialize in dangerous game hunting as well as plains game hunting including species not typically found in other regions. The prime hunting season in our blocks are July to November, however hunting is permitted year round.
